"This journey has been an incredible emotional roller coaster ride, but you have been through it with me from the beginning. Thank you for your support, your information, and for all you do to make this journey a little bit more tolerable. I am so very, very, grateful. May the year ahead be filled with blessings of love and peace and health for all of you who work so hard to help others!" -- GRACE Member Scohn

GRACE is a nonprofit organization that was developed to provide a critical educational supplement to the information provided by one’s own medical team. GRACE provides expert-mediated educational content to educate, empower, and enable patients, families, and caregivers to consider and discuss management options with their medical team.

Please support the advancement of cancer education for patients, families, and caregivers and respond to this opportunity today.
